

Laundry Whitener

3

Description:

Highly concentrated, fragrance-free product for safely and sustainable whitening of white laundry and removing tough stains. Ecodet Laundry Whitener removes tough stains and odours and is safe for colour and material.

Application:

Ecodet Laundry Whitener is specifically developed for whitening of tough stains in white laundry. Suitable for washing on both low and high temperatures. Ecodet Laundry Whitener can be used in combination with Ecodet Laundry Detergent. Do not use on delicate fabrics such as wool and silk.

Usage:

Dose by way of Ecodet dosage equipment. Dose Laundry Whitener preferably in the corresponding dosing ball or directly into the washing machine. Use a dosage of 4 to 12 ml per kg laundry, depending on degree of the soil. Wash at the lowest possible temperature and with the largest load, if the type and degree of soil allows it.

Dosages:

Soil:	Per kg	Per 5 kg laundry:
Light	4 ml	20 ml
Normal	8 ml	40 ml
Tough	12 ml	60 ml

Technical features:

Colour: White
 Scent: Fragrance-free
 pH value concentrate: X
 Composition: Based on raw material from renewable origin based on enzymes. The product is biodegradable according the European Detergent Regulation (EC 648/2004).

Packaging:

Pouch 1,5 litre: 2 pieces in a box

Safety and storage:

For more information regarding storage, transportation and safety we refer you to the Safety Data Sheet.
