

Microfibre Laundry Detergent

Description:

Highly concentrated, high fragranced product based on enzymes. Removes tough stains and guarantees clean and fresh microfiber material.

Application:

Ecodet Microfibre Laundry Detergent is suitable for all washable microfibre materials. The product does not contain any bleach and therefore keeps the colour intact. Suitable for washing both on low and high temperatures. Do not use any fabric softener!

Usage:

Dose by way of Ecodet dosage equipment. Dose Laundry Detergent preferably in the corresponding dosing ball or directly into the washing machine. Wash at the lowest possible temperature and with the largest load, if the type and degree of soil allows it.

Dosages:

Soil:	Per kg	Per 5 kg laundry:
Light	2 ml	10 ml
Normal	4 ml	20 ml
Tough	6 ml	30 ml

Technical features:

Colour: Mint green
 Scent: Fresh
 pH value concentrate: X
 Composition: Based on raw material from renewable origin and enzymes. The product is biodegradable according to the European Detergent Regulation (EC 648/2004).

Packaging:

Pouch 1,5 litre: 2 pieces in a box

Safety and storage:

For more information regarding storage, transportation and safety we refer you to the Safety Data Sheet.
