

Fabric Softener

2

Description:

Highly concentrated, high fragranced product for softening and refreshing of textiles. Suitable for both white and coloured laundry, do not use on wool and silk unless mentioned on the washing label.

Application:

Ecodet Fabric softener is suitable for the washing of all colours. The product doesn't contain any bleach and keeps the colours intact. Suitable for washing both with low and high temperatures. Works best in combination with Ecodet Laundry Detergent. Do not use on Microfibre.

Usage:

Dose by way of Ecodet dosage equipment. Dose Laundry Detergent preferably in the corresponding dosing ball or directly into the washing machine. Wash at the lowest possible temperature and with the largest load, if the type and degree of soil allows it.

Dosages:

Soil:	Per kg	Per 5 kg laundry:
Light	1 ml	5 ml
Normal	2 ml	10 ml
Tough	4 ml	20 ml

Technical features:

Colour: Pink
 Scent: Fresh
 pH value concentrate: 3,5
 Composition: Based on raw material from renewable origin. The product is biodegradable according the European Detergent Regulation (EC 648/2004).

Packaging:

Pouch 1,5 litre: 2 pieces in a box

Safety and storage:
