

Laundry Detergent

1

Description:

Highly concentrated, high fragranced product based on enzymes. Removes tough stains and guarantees a clean and fresh laundry. Suitable for both white and coloured laundry.

Application:

Ecodet Laundry Detergent is suitable for the washing of all colours of laundry. The product does not contain any bleach and therefore keeps the colour intact. Suitable for washing both on low and high temperatures. Use in combination with Ecodet Fabric Softener for extra freshness.

Usage:

Dose by way of Ecodet dosage equipment. Dose Laundry Detergent preferably in the corresponding dosing ball or directly into the washing machine. Wash at the lowest possible temperature and with the largest load, if the type and degree of soil allows it.
