

Destainer

3

Description:

Highly concentrated, fragrance-free product for safely and sustainably removing of stains and odours. Ecodet Destainer is suitable for both coloured and white laundry.

Application:

Ecodet Laundry Whitener is specifically developed for removing tough stains in laundry. Suitable for washing on both low and high temperatures. Ecodet Destainer can be used in combination with Ecodet Laundry Detergent. Do not use on delicate fabrics such as wool and silk.

Usage:

Dose by way of Ecodet dosage equipment. Dose Laundry Whitener preferably in the corresponding dosing ball or directly into the washing machine. Use a dosage of 4 to 12 ml per kg laundry, depending on degree of the soil. Wash at the lowest possible temperature and with the largest load, if the type and degree of soil allows it.

Dosages:

Soil:	Per kg	Per 5 kg laundry:
Light	4 ml	20 ml
Normal	8 ml	40 ml
Tough	12 ml	60 ml

Technical features:

Colour: White
 Scent: Fragrance-free
 pH value concentrate: 3,5
 Composition: The product is biodegradable according the European Detergent Regulation (EC 648/2004).

Packaging:

Pouch 1,5 litre: 2 pieces in a box

Safety and storage:

For more information regarding storage, transportation and safety we refer you to the Safety Data Sheet.
