

Washing-up Liquid

0

Description:

Highly concentrated, high foaming washing-up liquid for manual use. The product can be used multiple times a day.

Application:

Ecodos Washing-up Liquid is suitable for manual washing of all dishes such as, pots, pans, cutting boards, water-resistant appliances etc. The product is perfume and colour free and has no added preservatives, but does have skin protective ingredients so it is very mild for the skin and avoids allergic reactions. Washing-up Liquid is not suitable as soaking agent.

Usage and dosage:

Dose by way of Ecodos Easy.

Manual dishwashing:

Use the following dosage:

Mild soil: Dose 5 ml of product.

Normal soil: Dose 10 ml of product.

Dose the product in a sink filled with maximum 5 litres of water. Do not keep the tap running, but immerse the dishes. Use the recommended dosage.

Technical features:
