

Floor Cleaner Ultra 3

Description:

Highly concentrated, low foaming, neutral floor cleaner for daily use. Suitable for manual (mop system) and mechanical (scrubber dryer) use. Safe to use on all water-resistant floors. Does not streak and leaves a pleasant scent.

Application:

Ecodos Floor Cleaner is suitable for cleaning all water-resistant floors like tiles, lamination, linoleum, vinyl etc. It will not harm floors treated with polymer because of its neutral composition. This product is suitable in combination with the use of microfiber.

Usage and dosage:

Dose by way of Ecodos Easy.

Manual:

Use the following dosage:

Mild soil: Dose 10 ml of product per 10 litre water.

Normal soil: Dose 10 ml of product per 5 litre water.

Dose the product in a bucket filled with cold water. If necessary regularly change the water.

Scrubber-dryer:

Use a dosage of 0.2% (2 ml per litre of water). Dose the product in the clean water tank of the machine.
