

Floor Cleaner Ultra 3

Description:

Highly concentrated, low foaming, neutral floor cleaner for daily use. Suitable for both manual use or for use in a machine. Safe to use on all water-resistant floors. Does not streak and leaves a pleasant scent.

Application:

Ecodos Floor Cleaner is suitable for cleaning all water-resistant floors like tiles, lamination, linoleum, vinyl etc. It will not harm floors treated with polymer because of its neutral composition.

Usage and dosage:

Dose by way of Ecodos dispenser.

Manual:

Dose, with normal pollution, 10 ml of product per 5 litres of cold water. If necessary regularly change the water.

Scrubber-dryer:

Use a dosage of 0.2% (2 ml per litre of water). Dose the product in the clean water tank of the machine.

Technical features:

Colour:	Green
Scent:	Fresh Lavender
pH-value concentrate:	8.5
Composition:	Based on raw material from renewable origin. The product is biodegradable according to the European Detergent Regulation (EC 648/2004).

Packaging:

Bag 1.8 litre: 3 pieces in a box

Safety and storage:

For more information regarding storage, transportation and safety we refer you to the Safety Data Sheet.
